Delengua School is situated in the very centre of Granada. Recognized by CSN (Sweden), Delengua is a small dynamic school specialised in Spanish language and culture.

Our school runs courses throughout the year.

Our team consists of young Spanish teachers graduated in language studies with appropriate teaching experience. Their preparation and passion to teach Spanish are lived both inside and outside of the classroom.

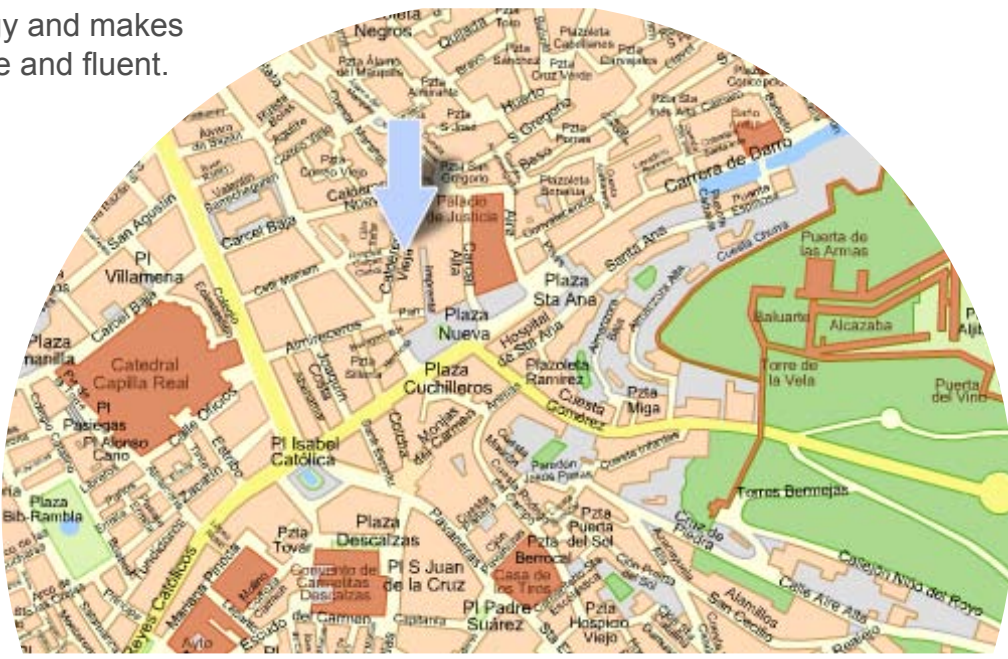

Courses are orientated in communication and action: the main priority is effective communicational usage. As a result of dynamic Spanish courses involve participation from the students.

The number per class, between 2 and 8 reinforces this methodology and makes the student-teacher relation close and fluent.

Granada

Granada is the city of the Alhambra, a breathtaking palace that is the most outstanding reminiscence of Granada Arab period. Its Arab heritage is remarkable along its narrow and winding cobblestone streets.

With 270.000 inhabitants, Granada is the capital of the province with the same name and the seat of one of the greatest universities in Spain: University of Granada. Over 60.000 students make Granada an exciting city with vibrant nightlife. Cafes, pubs, restaurants, terraces and a huge variety of tapas served with a glass of beer or wine can be found in every street.

Among Granada's many cultural activities feature the International Theatre Festival, Tango Festival, International Jazz Festival, the Manuel de Falla Auditorium's annual programme, Flamenco Festivals and the International Music and Dance Festival. The most famous celebrations are: Easter Week, the Cross Day (May), Granada Fair (June) and the Zaidín Festival.

The environs of Granada are also a must see: Sierra Nevada Skiing Resort, Costa Tropical, Alpujarras mountains, Cordoba, Seville, etc. Escuela Delengua is situated in the heart of Granada, very close to the Cathedral, beside Plaza Nueva, at the foot of the Albayzín. An ideal place to learn Spanish!
